INTRODUCTION

# TRANS FAST GROUP INTRODUCTION

Founded in 2008, **TRANS FAST GROUP** is General Contracting and Construction Management Company. We specialize in Build Projects, MEP Works, and Steel Works, and Engineering Laboratory.

Our expertise spans from pre-construction services to complete turn-key construction projects.

**TRANS FAST** is a diversified conglomerate of the following companies:

- TRANS FAST Building Contracting LLC      G+Unlimited      DUBAI
- TRANS FAST Steel Contracting L.L.C      DUBAI
- TRANS FAST Electromechanical LLC      DUBAI
- TRANSFAST TECHNICAL SERVICES L.L.C      DUBAI
- TRANS FAST ENGINEERING LABORATORY LLC      DUBAI
- DUDE HOMES      CANADA

Within a short span of time, **TRANS FAST** Group is held in esteem throughout the construction Industry in the UAE. We believe that our success lies in our commitment to understanding and meeting our client's requirements for safety, workmanship, on - time – delivery and value – for money.

With the fast changing environment and upgrading of technology, we commit ourselves to improvisation of our procedures and techniques and to continuous development. With the willingness to explore the opportunities ahead, we welcome future with confidence and high-spirited strength.

# BUSINESS APPROACH AND KEY PERSONNEL

**TRANS FAST Group's** businesses are supported by an integrated quality management system that underpins every aspect of its operations. By strategically positioning quality management at the heart of our operations, we have bound together the full value chain of an infrastructure company, thus embedding the concept of a triple bottom line management culture, which is central to reinforcing sustainability and delivering a quality outcome to all stakeholders.

The group has over-arching measures to consistently monitor performance and aims to empower employees to live its corporate values.

Our Project Management and Execution Philosophy is:

- To create detailed schedule and resources plan to meet client's project objectives,
- Communicate clearly with all project stakeholders,
- Track project progress and fine-tune deviations,
- Complete and commission the project on time.

## KEY PERSONNEL

**Akhtar H.**

**MANAGING DIRECTOR/FOUNDER**

## VISION AND MISSION

“To consolidate our position as a leading International Contractor and Concession Operator in the Middle East, Africa, and Asia market and ensure that a substantial share of our income comes from overseas markets.”

“We are committed to improving the Group’s financial Performance, capitalizing on our well- diversified portfolio of activities and the excellent business reputation and reliability secured thro ugh our work both in Middle East, Africa, and Asia, to win new projects and enjoy a long-term and stable stream of revenues from concessions.”

# CODE OF BUSINESS CONDUCT AND ETHICS

## THE GROUP POLICY STATEMENT

Respect and trust, customer Focus, Teamwork and communication are the core values that distinguish **TRANS FAST GROUP** as a leading construction company.

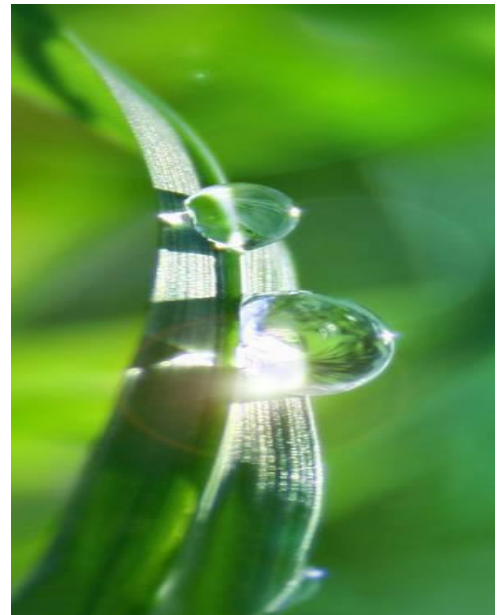

## CORPORATE HEALTH, SAFETY AND ENVIRONMENTAL STATEMENT

**TRANS FAST** is committed to the safety and health of its employees and to the preservation of the environment to people of today and future generations.

We will meet our commitment by:

- ◆ **“Safety first”** is our motto. With an emphasis on safety from management, **TRANS FAST** is having a health, safety and Environment System implemented for the well-being of employees to provide a healthful and safe work environment.
- ◆ **HSE System Establishment** based upon the most stringent regulatory requirements and recognized best management practices.
- ◆ Regular assessment and auditing of all our operations so as to be in agreement with our policies and standards with the goal of continuous improvement and development.
- ◆ Producing products/services consistent with our environmental responsibility. Our stewardship includes careful conservation of the natural resources we use in all the areas of the company. We always look for ways to reduce waste, promote recycling, and increase efficiency of our energy and water use. Our goal is to take an active role in using both natural and recycled resourced in an environmentally sound manner.

# Corporate Objectives

**TRANS FAST** Group, headquartered in Dubai with Subsidiary Companies throughout UAE, PAKISTAN and CANADA. Have enjoyed numerous recognized achievements within a short span of time as a “Total Solution Provider” for all type of construction requirements by organizing our talents and resources into subsidiary companies specialized in various fields of construction.

The corporate aim has been consistent since the launching of the Group. The Group focuses and value reputation for integrity, technical excellence and customer satisfaction as well as professional success and development of its employees.

- The principal objective is to govern the uniform conduct, policies and procedures for the Group companies and ensure their compliance with them.
- To maintain and further enhance the quality of services, by introducing the most sophisticated technology and automated monitoring systems throughout the Group in each and every level.
- Institutionalize the corporate training programs to ensure effective development of the staff members and through orientation of new employees.
- Improve the efforts to hire qualified and talented individuals with strong technical, management and business development credentials and vast experience to support and accelerate Group’s growth.

When these objectives are combined with Group Vision and Mission, the formula for success is realized. Looking forward to the future, we strive to achieve increase in our size, capabilities and our contributions to Construction Industry.

# TRANS FAST BUILDING CONTRACTING L.L.C

With a successful track of nearly 12 years **TRANS FAST BUILDING CONTRACTING LLC**, specializes in all kinds of projects: steel and concrete buildings, Industrial, Commercial, Institutional and Residential Facilities

**TRANS FAST** is ranked among the top contractors of the region with its substantial experience in bringing difficult Projects, to successful completion with high quality standards.

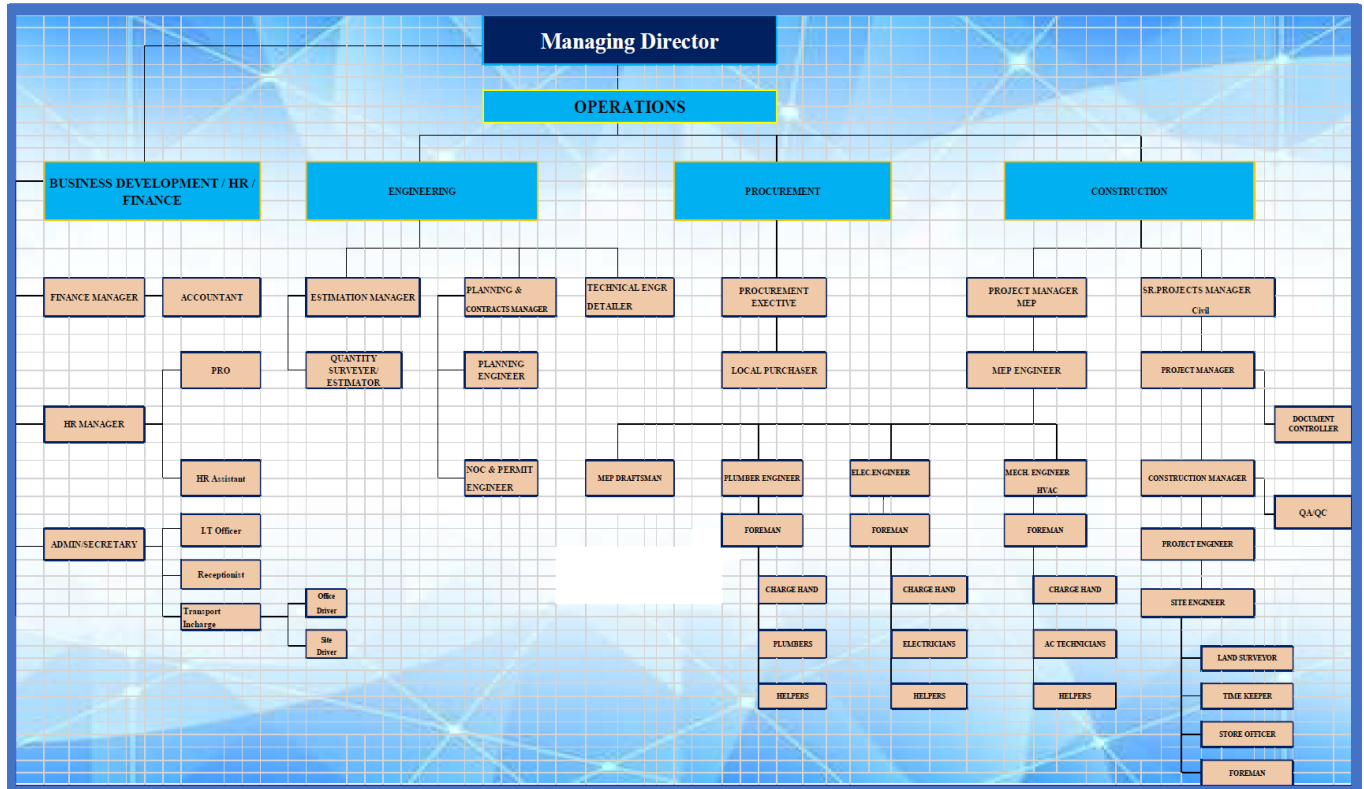

The highly qualified and experienced Management team, professional staff Members and quality workmanship with the best skilled site personal available in the regions are **TRANS FAST's** personal vanities.

The management expertise is supported by State-of-the-art information and Technology systems that interface to provide accurate estimation, Realistic planning, efficient project management and Effective cost control. We believe that our competitive Advantage results from the mutual trust and respect that we share with our employees, clients, Consultants, suppliers and sub-contractors.
